Docket No. 2010-132-W

May River Plantation Owners' Association, Inc. ("May River POA"), on behalf of itself and its members, respectfully submits the within Petition to Intervene in the above-referenced docket. In its Petition, May River POA would respectfully show unto this honorable Commission:

1. May River POA is an association of all of the individuals who own property within the May River Plantation subdivision located in Beaufort County, South Carolina. May River POA is incorporated in the State of South Carolina as a non-profit corporation.
2. The applicant in the above-referenced proceeding, May River Water Company, Inc., a Georgia corporation operating in South Carolina (“Applicant” or “Company”), provides water service to the May River Plantation subdivision.
3. May River POA seeks to intervene in this proceeding with full rights to participate as a party of record in so far as its interests might appear.
4. The Company has applied for an increase in rates and charges for the provision of water service to the residents of May River Plantation. According to the Company, the average charge for the provision of water service to active customers, based on current average usage, will increase from \$30.00 per month to \$111.36 per month. See Application, Exhibit B.

5. May River POA's position is that the requested increase, which amounts to an increase of more than 370%, is excessive and unreasonable and, therefore May River POA opposes the Company's request for a rate increase.

6. Correspondence and communications to May River POA with respect to this proceeding should be directed to the undersigned counsel.

WHEREFORE, May River Plantation Owners' Association, Inc. respectfully requests that this honorable Commission permit its intervention in this proceeding as its interests might appear.

Respectfully submitted,
